26	David Gill	Adult												

Special thanks to those who set out this trial, Harry Towler and Erik Buckley with their helpers,

Also thanks to the observers on the day, your support is very much appreciated. The club's

next evening trial will be at Gatebeck on a piece of land not used for many years

which means the land gets seen with a different pair of eyes, always a good move.

The date will be August 16 and do remember that the website www.northerncentreacu.co.uk is

always a good place to see reports, pictures and get news about events in Cumbria.
