Special thanks to those who set out this trial, Harry Towler and Erik Buckley and Dave Parkinson who managed to regain access to this venue after many years.

Also thanks to the observers on the day, your support is very much appreciated. The club's next trial is the Grant at Tommy Road, Wharton Fell, near Kirkby Stephen on September 24 and is a round of the Northern Centre Championship. This is a great trial over 3 laps of up to 15 sections and well worth riding, not an easy trial but an enjoyable challenge.
